Professional Gas Grills

GRILL ACCESSORIES

Summerset proudly offers the TR™ Double Side Burner. Featuring state-of-the-art exterior LED lights, it is the perfect compliment to our TR™ line of grills.

We also offer your choice of a standard Double Side Burner.

TRL™ Double Side Burner

- Item# TRLSB-2
- Features Include:
- Exterior LED Lights
 - 30,000 Total BTUs, Main Burners

Grilling Accessories

Double Burner

Item# SSSB-2

Features Include:

- All Stainless Steel Construction
- 30,000 Total BTUs Main Burners

Single Burner

Item# SSSB-1

Features Include:

- All Stainless Steel Construction
- 15,000 Total BTUs Main Burner

Sear Burner

Item# SSIRB-L

Summerset Sear Burners are made in the USA and feature dual speed technology — the most advanced Infrared (IR) technology available today.

Our Sear Burners reach temperatures of 1600°, but can be adjusted down to a normal flame temperature — a huge cooking advantage. In addition, Summerset Sear Burners are retrofit and compatible with our grills using a simple two-step process.

Sear Side Burner

Item# SSEAR-1

Features Include:

- All Stainless Steel Construction
- 15,000 Total BTUs. Up to 1600°— Adjustable to 1000°
- Patent Pending
- Fits Side Burner Cut-Out.
